Boyd-Satterlee.

Columbus Journal: Ralph W. E. Boyd of Interior, S. D., and Miss Inez Satterlee of Norfolk, Neb., were married at the Methodist parsonage Monday by Rev. L. R. DeWolf.

Ray-Ervin.

Hinton (W. Va.) Daily News: A marriage of unusual interest in Hinton and vicinity took place at the Methodist church in Hinton Thursday evening at 7:30 o'clock, when Miss Sarah Arthusa Ervin became the bride of Rev. Charles Wayne Ray, D. D., of Norfolk, Nebraska.

The church was artistically decorated throughout with a lattice work effect of wild ferns, palms and scarlet salvia, completed the decorations.

The matron of honor was Mrs. Alonzo C. Nelson of Alderson, and the bridesmaids were Misses Ethel Hinton, Margaret Harrow, Hazeline Barber and Maud Hill.

The bride was tastefully attired in an exquisite gown of white messaline satin, trimmed in Princess lace and pearl ornaments.

Immediately after the ceremony the bridal party was driven to the Hotel McCreery, where a sumptuous wedding supper was served in the large dining room.

Rev. Dr. Ray is a native of Indiana and is a Methodist minister of considerable prominence in Nebraska.

He also made a tour of the Holy Lands during his absence from America. His bride is the attractive daughter of Mr. and Mrs. Robert Watson Ervin, who now reside on Bluff street, and who returned to Hinton only a short time ago from Washington and Los Angeles, Cal., in which cities they have been making their home for the past four years.

The popularity of the bridal couple was attested by the profusion of hand-some and expensive wedding presents received by the bride, as well as numerous messages from friends at a distance.

Coming Events.

Norfolk people, from all indications, are anxious that Joseph Howard and Miss Mable Barrison, now starring in "The Flower of the Ranch," be secured for this city.

Misses Josie and Etta Durland and Mr. and Mrs. Burt Mapes have issued invitations for a 6:30 dinner to be given at Marquardt hall next Friday evening.

EXPECT 500 TEACHERS.

North Nebraska Teachers' Association Men in Norfolk.

On their way to participate in a teachers' meeting at Butte Saturday Superintendent A. V. Teed of Dixon county and Superintendent F. S. Perdue of Madison county stopped in Norfolk.

Election this year held no terrors for either county superintendent, both having been accorded the compliment of a unanimous re-election by their counties on Tuesday.

Both superintendents agreed that next April's teachers' convention in Norfolk would be bigger and better than ever and that the 500 attendance mark would be passed.

"A meeting of the executive committee has not been called at this time," said President Teed, talking convention, "but by a referendum vote we have already decided on one innovation touching the convention days."

The declamatory contest will be held as usual on Wednesday evening. The first association session will be held Thursday morning. The convention, convening Thursday instead of Wednesday, will adjourn Saturday noon instead of Friday.

"Norfolk people should make up their mind to have a Y. M. C. A. building and organization," said one Norfolk avenue business man.

Simon Mayer of Mayer Brothers of Lincoln, who is in Norfolk on a visit with his brother, says that the Lincoln Y. M. C. A. has the enthusiastic support and patronage of Lincoln business men.

CURRENCY COMING WEST

RESERVE CENTER MAY MOVE FURTHER THIS WAY.

MAY ELIMINATE NEW YORK

It is Predicted That One Result of the Situation Will be the Elimination of New York City as the Only Reserve Center.

Washington, Nov. 9.—It is a safe prediction to say that by the first of next week business conditions in the northwest will be moving along again in the regular way.

Money to handle the grain and produce has been provided for, and only the smaller details remain to be worked out.

One result of the present temporary money stringency will be to eliminate New York as a general converging center for national bank balances for pretty much the entire country.

SPORTS

SUTTON HOLDS TITLE.

Beats Jake Schaefer in the 18.2 Billiard Match for Championship.

Chicago, Nov. 9.—George Sutton maintained his supremacy at 18.2 billiards by beating Jake Schaefer decisively in a very ordinary game by a score of 500 to 241.

Sutton made a high run of 232, lacking just nine of equalling Schaefer's total score. Neither man was particularly brilliant. Sutton, who had been making runs of 250 and 300, night after night, in his practice games, and averaging close to 100 a game, only ran an average of a little over 33, while Schaefer's average was only a fraction over 16.

Sutton took the lead in the first inning, when he made a run of 12, and Schaefer was even able to overtake him. The champion played a steady game from the start, his touch and stroke being almost perfect.

Whether nursing the balls or playing around the table he was accurate in his calculations. In his ninth trial Sutton collected 232 billiards, most of them being made in the center of the table, where his delicate touch was displayed in a remarkable manner.

In the fourth inning Sutton had the balls together at the foot of the table and was clicking off the billiards in beautiful style when he made a foul on his seventy-second shot, leaving the balls up.

Out of the fifteen times up Schaefer made six goose eggs, while Sutton made 55, 6, 3, 0, 3—500. High run, 232; average, 33.5-15. Schaefer—0, 7, 0, 5, 93, 1, 0, 9, 14, 0, 21, 90, 0, 1, 0—241. High run, 93; average, 16.1-15.

NEED FOOTBALL CHANGE.

Walter Eckersall Says Limit of Five Games is Too Short.

Chicago, Nov. 9.—Eckersall says: When the big nine conference meets again there will be a harder fight made to get the football schedule lengthened than there was last year.

It should be. As the system is arranged now the teams have several vacant Saturdays and all the disadvantages that go with periods of cessation from the tests for which they prepare.

There can be only one holder of a championship, and that honor belongs to Burns; therefore, should Johnson beat Tommy Jeffries, should he enter the ring to fight the big black, he do so as an ex-champion and not as a champion.

FRANK PETERSON LEADS

HAS HIGHEST MAJORITY ON THE COUNTY TICKET.

RICHARDSON IS A CLOSE SECOND

Peterson Comes Out of the Race With 861 More Votes Than His Opponent, Richardson Has 681 to His Credit, Summary of Returns.

Madison, Neb., Nov. 11.—From a staff correspondent: Madison county by the official returns now compiled, ran up more than half a thousand majority for the republican state ticket.

Judge M. B. Reese for supreme judge carried Madison county at the Tuesday election by 519 votes over Loomis. A year ago Sheldon carried the county by 279. The official canvass just completed by County Clerk Richardson shows that this year the republicans carried fifteen precincts and tied one.

A heavy off-year vote was cast Tuesday. For the county it totaled 3,247 against 2,840 last fall when a full state ticket was up.

The official figures give Frank Peterson county honors with a majority of 861. County Clerk Richardson presses after him with a majority of 681.

At Chicago temporary stands will be erected at both ends of the field, increasing the seating capacity to about 20,000. Reservations are being made daily, and from these it is safe to predict a large attendance.

The indications are that Wisconsin university faculty is to be assailed by a state-wide wrath this winter, so general and vehement that it will enforce a new athletic policy at Madison.

Thousands of the Cardinal graduates are scattered through the state, and if organized can bring great weight to bear on the political situation. The university could be embarrassed by legislative indifference to its needs.

JOHNSON AND JEFFRIES.

Tex Rickard Offers Forty Thousand for the Match.

Chicago, Nov. 9.—"Tex" Rickard, who promoted the Gans-Nelson fight at Goldfield, it is reported, wants to bring Jack Johnson and Jim Jeffries and will guarantee a \$40,000 purse for the match.

The Nevada fight promoter evidently is under the impression that, should Johnson beat Burns, he will be matching the colored man against the champion instead of the champion against Jeffries.

"Big Jim" retired more than three years ago, and repeatedly refused to consider big offers to fight. Shortly after he announced his retirement he refereed the advertised heavyweight championship battle between Marvin Hart and Jack Root, and in declaring Hart the winner he also declared him champion.

of being the only man in Madison county to file at the primaries for a nomination at the hands of the people independent party.

There were several ties in the precinct contests and County Clerk Richardson has notified the candidates concerned to assemble in his office to have the matter decided by lot.

Results of road commissioner in the other road districts showed the following men elected: Henry Uecker, district No. 1; William Lowe, 2; John Brown, 3; Perry C. Harris, 4; Andy Tillotson, 6; John H. Less interest over the county was displayed in the offices of justice of the peace and constable than in the precinct office of road commissioner. The returns show many ties where different men received only one vote for the precinct office of justice or constable.

WOLF ROUNDUP.

Hounds to Lead the Chase to be Imported From Wisconsin. White, S. D., Nov. 11.—Sportsmen of this part of the state are completing preparations for what will be the greatest roundup of wolves in the history of northeastern South Dakota.

The roundup will take place in about ten days, and it is expected it will result in the annihilation of the wolves which have infested this region for months.

These animals have been a source of annoyance and loss to the sheep raisers of this locality for some time, and recently the depredation of the wolves have become so serious a character that it was decided to organize the roundup and exterminate them.

The aid of Phil Fox of Durand, Wis., the owner of a fine kennel of hounds, has been enlisted, and he has promised to participate in the roundup and bring with him a number of his best wolf hounds.

In order to pay the expense of bringing Mr. Fox and his famous hounds to the state an assessment of 2 cents per sheep has been levied upon the sheep owners who will be benefited by the roundup, and these assessments are now being cheerfully paid by the sheepmen.

The roundup parties will consist of an aggregate of several score of expert marksmen and horsemen, and a wide scope of country will be systematically traversed in the effort to locate and kill every wolf in this region.

BIG DISTRICT MEETING

PLANNED BY MODERN BROTHERHOOD OF AMERICA.

TO BE HELD LATE IN DECEMBER

State Manager of the Order Arranges to Hold a Meeting and Big Initiation in Norfolk—Many Surrounding Lodges Will Take Part.

A big district meeting of the Modern Brotherhood of America will be held in this city the latter part of December, if present plans are carried out. State Manager S. S. Hayman of Grand Island was in the city Saturday making preliminary arrangements for such a meeting, at which time delegations will be here from the lodges at Wayne, Carroll, Hoskins, Stanton, Tilden, Meadow Grove and Warnerville.

An effort will be made to initiate a class of 100 new members at this meeting, the work being done by a drill team of the local lodge, now practicing for that purpose. Two hundred outsiders are expected to take part in the festivities, which will be made a great time for the Brotherhood in this section of Nebraska, and will close with refreshments and a smoker.

HOMESTEADS 1,280 ACRES BIG

Congressman Kinkaid Will Introduce New Measure.

Congressman M. P. Kinkaid of O'Neill, Neb., stopping in Omaha was quoted as saying that at the coming session of congress he will introduce an act giving to applicants for homesteads two sections instead of one. Another act will also be introduced giving homesteaders who have had their entries forfeited through no fault of their own, the right to file other entries.

John Reese of Broken Bow, registrar of the United States land office at that place, was also in Omaha to confer with Congressman Kinkaid in the matter of legislation concerning public lands.

"There are but 1,000,000 of public land left in Broken Bow district," said Mr. Reese, "out of the original 4,000,000 acres set aside about fifteen years ago. This is mostly sandhills and of little value compared with other parts of the tract."

TRIBUTE TO MISS MILLER.

Popularity of West Point Teacher Gave Her Only Republican Victory.

West Point, Neb., Nov. 9.—Special to The News: For county offices the republicans of Cuming county succeeded in securing only one plum at the last election, in the case of Superintendent of schools which was won by Miss Emma R. Miller, the republican candidate. Miss Miller has been the teacher of the primary department in the public schools of West Point for the past nineteen years and has demonstrated a high order of merit and a fitness for the position which will render it a difficult task for the school board to acceptably fill her place. Her democratic opponent, Prof. A. E. Fisher, principal of the Beemer public schools, while a man of high character and profound scholastic attainments, was handicapped by his short residence in the county, many of the voters not knowing him personally. In addition to this Miss Miller had the active sympathy of the community on personal grounds, she having for the past twenty years, devoted herself to the care of her aged parents and blind brother, denying herself many of the comforts and enjoyments of life usually deemed indispensable. A large number of young men voters, both in city and country, of all classes of society have passed through her hands in the public schools as her pupils and her popularity was such that these young men, irrespective of party, united in supporting her.

As soon as the result was known the citizens, friends and former pupils of Miss Miller formed in procession and headed by the West Point cadet band marched to her residence and serenaded her. Miss Miller is the sister-in-law of Dr. F. A. Long of Madison, president of the State Medical association.

The marriage of Charles Zeng, a well known resident of West Point, to Mrs. Anna Plummer, took place last evening, the ceremony being performed at the home of the bride by Justice Lindale. Mr. Zeng is a prosperous business man of West Point and the bride the widow of the late James Plummer. They will reside in the residence owned by the bride in the Third ward.

WILLIAM H. SEARLE DREW CLAIM

Former Plainview Man Was No. 2 in Lower Brule Lottery.

One of the most fortunate of the persons who drew claims in the Lower Brule reservation land lottery was William H. Searle, well known in Norfolk, formerly a resident of Plainview. Mr. Searle drew ticket No. 2 and filed on a good claim seven miles north of Presho.

Mr. Searle is now located at Fairview, S. D., and is cashier in a state bank at that place.
